

TOOLS FOR ALTERNAX

Names of the tools and sizes of the mortises

Tool Series	Minimum length	Maximum length	Maximum depth	Length of central tool	Length of lateral chisels
0	26 mm	40 mm	20 mm	84 mm	37 mm
1	26 mm	70 mm	40 mm	104 mm	57 mm
2	35 mm	80 mm	60 mm	124 mm	77 mm
3	45 mm	80 mm	85 mm	149 mm	102 mm

We always keep a stock of tools for mortises from 2,2 to 29 mm thick in the 4 series listed above.

VERY IMPORTANT

- For any orders, please specify the required mortise thickness, as well as the series number and the depth of mortise to be produce.
- For any orders of tools, accessories or spare parts with a net value lower than 100 €, a supplement of 10 € net will be added.
- All spare parts and tooling are dispatched cash and delivery.
- All lateral chisels are sold by pairs.
